The most popular burger for 7 years here at Lush. Okay I amp'd it up a bit to make the awesome more awesomer with the premium Certified Angus Beef seasoned burger and only Wisconsin cheeses, BUT, still a Lush original! Wisconsin Pepper Jack topped with our chopped roasted green chile mix over our house made Chipotle spread, Butter lettuce, and fresh sliced tomato. Brioche.

### JAY DOES 'SHROOMS \$13

Well, back in the 80's, but that's not what we're talking about here. A mix of sliced Portabella and Button 'shrooms seasoned and sautéed then smothered under super tasty and delicious Wisconsin Swiss cheese with lettuce, sliced pickles and premium mayo to boot. Hey. Can you see those purple things on the wall...? Sourdough.

### HELLO....?!?! CAN ANYONE GET ME A BACON CHEESEBURGER AROUND HERE?!? \$14

I like the standards. Frank Sinatra, Aretha Franklin. Slayer. You know, easy listening stuff. I find it utterly amazing how many burger joints I go to and they don't have the standards like a bacon cheeseburger ON THE MENU. I have to make it up myself or worse yet, write it down on some corny paper thing. Dude. If I wanted to do paperwork I'd take out a mortgage again.

Our premium CAB burger perfectly seasoned and cooked to order then topped with Wisconsin Cheddar, a copious amount of maple cured thick-cut bacon AND Wisconsin American on top of that. Fresh Butter leaf lettuce, sliced tomato, red onion, sliced pickles and our house sauce. Bam! Pow! Zowie! Take that "burger joint"!

### THE CURE \$15

Good group... great burger. All the greasy tasty deliciousness you need to get that stomach feeling better and get drinking again! Chorizo sausage, bacon, fried egg, and Wisconsin Pepper Jack cheese over lettuce, tomato, sliced red onion, and sweet chile sauce. Pepto-bismol whaaat?? And where the hell was Fascination Street anyways? English Muffin.

### AH HAAA AHI! TUNA BURGER \$16

Had a guy say it wasn't real Ahi once. Ok fella. I really wouldn't even know where to start to fake Ahi tuna...

REAL Ahi Tuna blended with a touch of soy sauce, sesame oil, honey lime sauce, and chopped cilantro, pressed and served topped with our peanut Asian slaw. Wheat bun.

### GOBBLE-GOBBLE TURKEY A-GO-GO BURGER \$14

They blend fresh turkey meat here and make a killer turkey burger the likes I have never had before, with avocado aioli, tomato & arugula. OR make it Cobb style with ranch, bacon, avocado, and Wisconsin Gorgonzola crumble with butter leaf lettuce and sliced tomato. Wheat Bun.

### A 1/2 POUND OF MAUI-WOWWY PLEASE \$16

I think of those crazy hot "savage tan" model girls taking a big 'ol bite of this one, like Paris Hilton in that Carl's Jr. ad... ahhh good times. And never mind the real Maui Wowwy. Yikes! Sweet BBQ sauce, sliced pineapple, grilled ham, bacon, coconut shrimp and ooey-goey Wisconsin Brick cheese. Topped with a pineapple chunk and maraschino cherry because it looks cool. Aloha muchachos! Sourdough.

### PEPPERONI BURGER \$14

Crazy good. My new favorite. Our Angus Beef patty topped with our house made marinara, a copious amount of grilled pepperoni, and those crazy mozzarella triangles of ours and a dose of Wisconsin Mozzarella cheese to hold it all together. Who says we don't do Italian?? Sourdough.

### THE YIPPEE-I-AYYY! \$13

A classic western-style burger with BBQ sauce, thick cut bacon strips, 2 slices of Wisconsin Cheddar and topped with a couple of onion rings. Now saddle up and ride. Brioche.

### PITTSBURGER \$14

I'm at a loss as to why this one is called the Pittsburger. Could it be a burger piled ridiculously high with Wisconsin Swiss cheese, house prepared coleslaw, and seasoned french fries is the definition of Pittsburgh?? If so, that's one crazy town. Onion Roll.
