JAY DOES 'SHROOMS \$13*

Well, back in the 80's, but that's not what we're talking about here. A mix of sliced Portabella and Button 'shrooms seasoned and sautéed then smothered under super tasty and delicious Wisconsin Swiss cheese with lettuce, sliced pickles and premium mayo to boot. Hey. Can you see those purple things on the wall...? Sourdough.

HELLO....?!?! CAN ANYONE GET ME A BACON

CHEESEBURGER AROUND HERE?!? \$14*

I like the standards. Frank Sinatra, Aretha Franklin. Slayer. You know, easy listening stuff. I find it utterly amazing how many burger joints I go to and they don't have the standards like a bacon cheeseburger ON THE MENU. I have to make it up myself or worse yet, write it down on some corny paper thing. Dude. If I wanted to do paperwork I'd take out a mortgage again. Our premium CAB burger perfectly seasoned and cooked to order then topped with Wisconsin Cheddar, a copious amount of maple cured thick-cut bacon AND Wisconsin American on top of that. Fresh crisp lettuce, sliced tomato, red onion, sliced pickles and our house sauce. Bam! Pow! Zowie! Take that "burger joint"! Sourdough.

THE CURE \$15*

Good group... great burger. All the greasy tasty deliciousness you need to get that stomach feeling better and get drinking again! Chorizo sausage, Virginia baked ham, bacon, fried egg, and Wisconsin Pepper Jack cheese over lettuce, tomato, sliced red onion, and sweet chile sauce. Pepto-bismol whaaat?? And where the hell was Fascination Street anyways? Pressed sour dough bun.

AH HAAA AHI! TUNA BURGER \$16*

PITTSBURGER \$14*
