HELLO....?!?! CAN ANYONE GET ME A BACON

CHEESEBURGER AROUND HERE?!? \$14*

I like the standards. Frank Sinatra, Aretha Franklin. Slayer. You know, easy listening stuff. I find it utterly amazing how many burger joints I go to and they don't have the standards like a bacon cheeseburger ON THE MENU. I have to make it up myself or worse yet, write it down on some corny paper thing. Dude. If I wanted to do paperwork I'd take out a mortgage again. Our premium burger perfectly seasoned and cooked to order then topped with Wisconsin Cheddar, a copious amount of maple cured thick-cut bacon AND Wisconsin American on top of that. Fresh crisp lettuce, sliced tomato, red onion, sliced pickles and our house sauce. Bam! Pow! Zowie! Take that "burger joint"! Sourdough.

And where the hell was Fascination Street anyways? Pressed sour dough bun.

AH HAAA AHI! TUNA BURGER \$16*

OR make it Cobb style with bacon, avocado, and Wisconsin Gorgonzola crumble with crisp lettuce and sliced tomato. Wheat Bun.

A 1/2 POUND OF MAUI-WOWWY PLEASE \$16*

I think of those crazy hot "savage tan" model girls taking a big 'ol bite of this one, like Paris Hilton in that Carl's Jr. ad... ahhh good times. And never mind the real Maui Wowwy. Yikes! Sweet BBQ sauce, sliced pineapple, Virginia baked ham, bacon, coconut shrimp and ooey-gooey Wisconsin Gruyère cheese. Topped with a pineapple chunk and maraschino cherry because it looks cool. Aloha muchachos! Sourdough.

PITTSBURGER \$14*
